

WFNR

World Federation for NeuroRehabilitation

WFNR AWARD

The WFNR Franz Gerstenbrand Award, worth £3000, recognises and rewards a neurorehabilitation project that has benefitted patients.

The Award is open to WFNR members and non-members worldwide.

Entries for the WFNR Franz Gerstenbrand Award are welcome from clinicians, researchers and allied health professionals who are currently working in neurorehabilitation.

Entry categories

Entries can involve any aspect of neurorehabilitation e.g:

- Patient or clinic management initiative
- Research project
- Best practice development
- Use of a new technological development

The entries must demonstrate a difference to patient outcome.

The work described must be in progress, completed or published in the last 12 months. A project that has not yet been started will not be considered.

Closing date is 30th January 2015.

£3000 prize

There is a single prize of £3000 awarded for a:

- Travel bursary to a clinical/scientific conference
- Professional development course
- Research project
